

Pentland Infant and Nursery School Parking Agreement

Congestion on the roads around our school at pick up and drop off times poses a risk to our children and surrounding neighbours. This congestion can be reduced in the first instance by more children walking and scooting either all the way or part way into school. However, we do realise that there are circumstances when travelling to school by car is the only option; please consider car sharing with someone in your neighbourhood who travels to our school or Headfield Junior School. We want to create a safer environment outside our school at the beginning and end of the school day. To help us do this, we would like you to read through this document and sign saying that you agree to support us and agree to drive and park around our school with consideration and in a sensible manner.

 I will be polite and considerate towards local residents and members of the school community.

 I will not park opposite, or within 10m, of the junction on Pentland Road.

 I will not park on the pavement along Pentland Road.

 I will not park or stop on the 'School Keep Clear' zig zags outside the school.

 I will not block driveways or the school gate.

 I will not park on yellow lines outside the school.

 I will not double park or stop alongside a parked car as this blocks the road and stops other people getting through.

 When stopping or parking on the road, I will ensure my vehicle faces down the hill.

 I will not leave my vehicle unattended with the engine running or leave my vehicle engine running unnecessarily while that vehicle is stationary on a public road.

 I will ensure passengers, especially children, get out of and into the car on the side next to the curb.

 I will take extra care when carrying out manoeuvres, especially reversing, near to the school.

 I will not park on school grounds.

 Where possible we will walk or scoot to school. Consider parking further away and walking or scooting the last part of the journey to school. We have an area on the school site where children can park their scooters during the school day.

By signing this form, I agree to the above and agree to drive and park with consideration for our children and surrounding neighbours and in a responsible manner outside Pentland Infant School and Nursery School.
